

# Train the Trainer – Safe Use of Medicines Refresher Course

Stay up to date with the latest legislation

## Discover creative new ways to engage your audience

The Train the Trainer – Safe Use of Medicines Refresher Course will give you the confidence you need to ensure your training is up to date with all the latest legislation related to the administration of medicine.

The course will also provide medication trainers with creative new ways to update and refresh training sessions to continue to engage participants.

## Course content

Train the Trainer – Safe Use of Medicines Refresher Course will ensure that you are up to date with all the latest legislation and guidance for administering medicine, including Fundamental Standards Regulation 12. This will allow your course content to remain accurate.

In addition, participants will discover new ways to connect with their audience by learning fresh ice breaker techniques and content. Trainers will take away new exercises, quizzes and games to support and enrich their safe use of medicines courses.

## Who is this course designed for?

The Train the Trainer – Safe Use of Medicines Refresher Course is designed for senior healthcare professionals, managers and independent trainers who are experienced in delivering the Safe Use of Medicine course. Trainers will be brought up to date with the latest legislation and training techniques.

## Course Duration

The Train the Trainer – Safe Use of Medicines Refresher Course takes place across two days. Please allow for a duration of eight hours for each day, which includes lunch and breaks.

## Course Outcome

Senior healthcare professionals, managers and independent trainers will have the confidence that their understanding of legislation affecting the administration of medicines is up to date. Trainers will be able to apply new techniques and content to the Safe Use of Medicine course.

Participants will have the opportunity to network with other trainers, sharing their knowledge, experience and ideas.

### Ways to Study

The Train the Trainer – Safe Use of Medicines Refresher Course is available as in-house or online sessions tailored to your specific organisation, or individuals and small teams can secure a place on an open course event.

Absolutely and always a great refresher training – a great source of knowledge and fun! Thank you.

**Andrea Pastova, Action for Children**

### Train the Trainer – Safe Use of Medicines Refresher Course training fees

Two day open refresher course £450 per person plus VAT.

An engaging refresher course with lots of new and fun activities. TeeJay is an inspiring and inclusive trainer and I look forward very much to the next course.

**Joy Robinson, FMC Training Services**
